Dear Lucia Whitmarsh,

Once again may we thank you and the membership of the Morning Music Club for your generous contribution of \$50.00 to the Palama Settlement Music School.

Aside from other differences from Tschaikowsky, we feel about you a little as he must have felt about his secret benefactor whom he never saw. A beautiful love affair with many rewards but they never got together!

You have helped us in many ways with your annual contribution to the Music School and I wish there was some way to show you what it has meant. But children's lives - their growth and development are rather intangible unless one sees them regularly. I am sure you understand that many have gained from the scholarship program and the improved facilities which your help has made possible. And of course we teachers share with the children the joys of a better program too.

I hope that in the fall we can arrange an opportunity to share with you some of the results of our daily work.

Thank you again and with much Aloha, I am

Sincerely yours,

John M. Kelly Jr., Director
The Music School
