Beginner's Band Progress - Denis K. Suzuki, Band Director

As of November 1, 1963, I, Denis K. Suzuki replaced Mr. Lloyd Nakahara as band director, to say a little about myself, I am a native of Lahaina, Maui and attended Lahainaluna High School ('57-'61). Presently I am a junior at the University of Hawaii majoring in Music Education.

I had been working with the Palama-Kiwanis Band and Mr. Nakahara previously, during the spring semester of '63 as part of a field experience requirement for the University. The band as I now see it has made considerable progress. The members of the band, although totaling only 10, is a fine bunch of students who are willing to work.

Much of this months work has been centered on the preparation for the coming Christmas recital. We are to perform four selections, may be of interest for it features solos from each section of the band which will show all the performance of the students individually. The work on the pieces is fair and I hope to step it up in the next couple of weeks.
