

PALAMA SETTLEMENT
MEMORANDUM

Date Sept. 10, 1951
To Miss Chun
From Director
Subject

Kindly send to my office a breakdown of your membership in the following manner - adults, high school, junior high and elementary age. I would like to get this as soon as possible so I can make a study of the possibility of reduced lesson fees with membership. Kindly make this list by names as it can also serve the purpose of transferring membership fees to your department who are enrolled in music.
