The Paloma Settlement Children's Chorus issued approximately 300 sign-up sheets. Approximately 30-35 children registered. Today 38 children are registered. Regular attendance numbers about 25. enthusiastic children.

Our rehearsals begin at 2:45 and end about 3:20 on Mondays, Wednesdays and Fridays.

If you, the reader, were to review the general objectives I listed before starting the chorus, I think you would see <sup>that</sup> the chorus is accomplishing these objectives. (Please refer to the sheet I first submitted)

Some of the chorus activities are as follows: swimming at Paloma pool every Saturday, singing for the Paloma Day Camp finale, singing for a scheduled appearance at the Shriners Hospital on Aug. 18, singing for ~~assemblies~~ Paloma Day Camp assemblies. Also - some of the Chorus members sang at a recital for my violin students.

I believe the Children's Chorus <sup>was</sup> ~~is~~ more than just a singing group. It was a mingling of different personalities and a chance for each personality to appreciate each other and music.

Now that day camp is over, I face a loss of members since because many of the chorus members ~~are~~ were day campers. But I plan to continue chorus till Aug. 31.

Respectfully submitted,  
Mary Ann Masuda
