HARRY LEE ASSUMES DIRECTORSHIP OF PALAMA CLUB PROGRAM

Mr. Harry K. Lee, newly-appointed director of the settlement boys' club program, assumed full charge of all club activities March 1, 1938. He succeeded Mr. Floyd D. Wardell who left recently for Los Angeles after serving a year as boys' club director of Palama Settlement.

Mr. Lee is 24 years old and a graduate of the University of Hawaii, class of '36, where he majored in social science. Because of outstanding work on the Hawaii campus, Mr. Lee was selected as an exchange student to Redland University in California, during his junior year, 1934-35.

Having begun "Y" work when he was 12 years of age as a member of a Pioneer club, Mr. Lee is familiar with every phase of YMCA club activity. He was president of the University YMCA in his senior year, and has been a club leader for the past six years.

Prior to coming to Palama, Mr. Lee was connected with the Hawaii Agricultural Experiment Station, and more recently with the Commission of Public Welfare.

As his initial project, Mr. Lee has planned a supper for all club leaders of the boys' and men's division next Monday, March 14th, at 5:00 p.m. in the cafeteria for a "get-acquainted" pow-wow. Another of his aims is to establish a class in leadership for standout Palama members.

BUCCANEERS PLAN MOONLIGHT PICNIC FRIDAY

The Buccaneer club which meets every Monday evening in the auditorium, will go on a moonlight picnic at Kailua beach this Friday, March 11th. Every member of the club will invite a lady guest.

James Saffery, in charge of the food and entertain committees, has reported a program of enticing activity for the group.

The Buccaneers are Farrington high school boys who have adopted the settlement as their stamping grounds in preference to street corners.

SR BASKETEERS SQUASH UH SQUAD IN UPSET

Fillmore Marvin's Winged "P" senior basketball team scored a brilliant 42-30 victory over the University of Hawaii outfit in a spectacular upset last Tuesday evening at the UH gym.

Entering the game as decided underdogs, the Pals finished their season in a blaze of glory by out-shooting and out-playing the Roaring Rainbows from the opening whistle.

Coach Luke Gill started his reserves and after five minutes of playing, rushed the UH varsity into the fray, but the Pals could not be stopped. The Maroon offense clicked smoothly for the first time this season, giving its forwards ample opportunities to make good their tries at the basket. At half-time, Palama enjoyed a 16-11 advantage, largely due to Elmo Tomita's two beauties in a row from the side.

The Westsiders continued their fine work in the second half, and at the closing moments of the game, were increasing their lead.

B.C.A. PENTATHLON PRACTICE BEGUN MONDAY

Intensive practice for the Boys' Clubs of America annual indoor track competition was begun Monday in the Pal gym. A large turn-out greeted settlement coaches, and all indications point to a banner year.

Palama has made consistently fine showings in B.C.A. meets for the past ten years, boasting in her ranks national champions in every division of the five-event test.

The pentathlon is open to all boys under 18 years of age. However, a radio meet with Santa Barbara Boys' Club embracing all five events and rules of the B.C.A. pentathlon will be offered to older boys.

Events listed in the pentathlon are the running high jump, standing hop step and jump, standing broad jump, pull-ups, and the one-minute basketball shoot from outside a circle with an eight foot radius.

CLUB NOTES

KOREAN JUNIORS are responsible for the tempting odors which drifted from the kitchen last week. These future "home-makers" tried their skill at making Jell-o chocolate pudding, and crispy popcorn for their last club project and not a member was absent from the treat. Aside from having a "jolly good time" this club is holding high honors in enrollment and attendance this month!

CHINESE MIDGETS played hostess to their dolls at their last club meeting and it is whispered that the guests had a lovely time. The clubroom was temporarily transferred into toyland as the young hostesses provided all the requirements for their Doll Party. Guests even acquired new costumes during the affair--and what guest wouldn't want to return at the earliest possible date?

THE TINY CLUB composed of the youngest Palama midgets has added three new members to their club roll. Mrs. Brittain and Lai Ing Chang are leaders of the group and many an older girl would like to join in the activities sponsored by the Tiny members. Last week's project consisted of cutting and dressing paper dolls, story telling and games--topped off with a treat of animal cookies provided by Mrs. Brittain. But it's a club for little folks so it's just too bad for you gornwups. Don't you wish you were a "Tiny girl"?

JAPANESE CLUB girls have been keeping Dr. Loo busy this week. The group voted for a swim at their next meeting but found that most of the members had forgotten to take physical examinations and no exam--no swim! However, Dr. Loo proved a "friend in need" by being on hand at the last meeting to help solve the problem and it sorta looks as though the Japanese Club girls are going to have their swim after all!

SENIOR SOCIAL CLUB report an interesting meeting with Dr. Loo last Thursday night. The subject for discussion was "Personal Health" and the girls were given an excellent opportunity to clear up a number of confusing questions. We are fortunate to have a woman doctor available for such meetings and "twice blessed" in having Dr. Loo as our friend and counselor.

KOREAN MIDGETS - Don't become frightened if the building seems in danger of falling down on you some Wednesday evenings. It's just the Korean Midgets in action--and believe me, there is plenty of action in that club! From a feeble start of three members last September this group has grown by leaps and bounds and now numbers nineteen on their club roll. You'll find all nineteen ready for anything--anytime! So watch the Korean Midgets--they've got pep and how!

SPORT NEWS

GIRLS' SWIM CLUB meeting has been changed from Tuesday 7 to 8 p.m. to Wednesday evening from 6 to 7 o'clock. The club has an enrollment of thirty members now and you'll find a promising crop of swimmers doing their "daily dozen" every Wednesday night.

PALAMA JUNIOR ATHLETIC CLUB - The girls' athletic club has grown so rapidly this year that Mrs. West has decided to organize a Junior unit for the midgets of the 4th, 5th, 6th and 7th grades. The youngest group held their first meeting Monday evening at 6 p.m. and are delighted with the idea of having a club of their own. Even though they are small--they are mighty and the Senior club had better look to its laurels!

HIGH SCHOOL LEAGUE PLAYOFF -When McKinley A basketball team trounced their school mates on the B team last week to the tune of 36-19 they qualified for the championship match on March 11th with Farrington B. The game should be a fast one with McKinley slight favorites to carry-off the High School trophy for 1938. Farrington's A team's defeat of 38-18 at the hands of the fast passing Roosevelt youngsters on Palama's A team leaves the two Palama girls' sextets matched for consolation honors on Wednesday afternoon. Visitors will be surprised at the brand of basketball displayed by these teams--come and see for yourself.

CITYWIDE sextet took the opening game of the Women's Basketball League last night with scarcely a murmur from the defending Aiea team. The score of 34-11 in favor of Citywide is some indication of the power of the winning sextet. McKinley and Palama fill out the bracket with Citywide decided favorites to carry off the new trophy donated by the Athletic Supply Company. The games are scheduled for Monday nights and the public is invited to attend.
