PRESENT

Mr. Rian
Mrs. Watkins
Mrs. Shim

ABSENT

Mrs. Yamada
Mr. Ward
Mrs. Hitchcock
Mrs. Cayaban

Mr. Haneberg, acting chairman, opened the meeting by reading the minutes which were approved as read.

The first item of business was the consideration of admission policy. The following statement was adopted as the final statement.

ADMISSION

Students are admitted:

1. Upon completion of placement test and or audition
2. Payment of registration fee.

Next upon the Community Chest's request that we increase our income the Committee wishes to go on record as opposing the increase with the following statement:

" We have carefully reviewed the budget both from the standpoint of increased income and further economy and find it impossible to meet the amount suggested by the Community Chest.

Furthermore, since the Music School is an integral part of the total Settlement program, to require that it be self-supporting is contrary to the basic philosophy of its founders."

Mr. Ward had requested that we give him some unit basis for his calculations of work units for the Music School. The Committee suggested the two units of one-hour lecture period and the half-hour private lesson period.

Respectfully Submitted

Dorothy Chun.
