General Statement:

This is the first time that the kindergarten stayed opened in August. Our drops were from children who had older brothers and sisters in the Group Day Camp. Others were those who are entering into the first grade in the public schools and private.

The activities for this month were confined to classroom work. The children were not able to go on excursions due to the fact that our weather was bad.

While Mrs. Sabala was on vacation, Miss Wada took charge of the school. We combined classes.

Registration August 25 to the 29 and September 2 to 5. We are going to have a large Day Care children. Many are interested in enrolling in the kindergarten .

Our Certificate of Approval from the Department of Public Welfare came on the third week of August. We proudly have it up for all parents and friends to see. We are one of the first to be approved in the Territory.

This year I believe, will find the kindergarten & pre-school growing. The staff members are enthusiastic in teaching the children new methods, new projects.
