SPECIAL EVENTS

Here is the play by play story of the final kickball game as see through the eyes of Reporter Rowena Vieira:

The Merrymakers and the Cinderellas are playing their final or championship kickball game. Last week the Merrymakers all said they won three games and that they hoped to win this one, and the Cinderellas also won three games. The Merrymakers first game was with the Brownie Pals and their score was 35 to 6. The second game was with the Manila Club and their score was 29 to 14. The third game was with the Little Friends and the score was 40 to 6. It is now 6:15 and the game does not start until 6:30. The Merrymakers are practicing.

The Cinderellas first game was with the Roseredes and the score was 15 to 5. Their second game was with the Jolly Girls and the score was 22 to 20. The third game was with the Leilanis and the score was 22 to 12. The Cinderellas are late so the game will wait for them.

The Cinderellas are first and the Merrymakers are doing very well in getting the Cinderellas out.

CLUB REPORTS

The Jolly Girls had a Halloween Party on October 30. We tied a strong on to the apple and tried to bite it, after that we ate a lot of Halloween candy and then we went home. We had lots of fun.

On General Election Day, we went to Kailua for a picnic. The reporter got left behind because she was late. Too Bad!

The Hui Kamaainas are a new club at Palama. We are Farrington High School girls and we are just getting started. The names of the girls are: Leilani Wong, Marion Young, Edna Lee, Evelyn Young, Molly Aoki, Katherine Fernandez, Nancy Leong, Elizabeth Aoki, Harriet Leong, Anna Wong, and Miriam Aoki.

We Merrymakers won the kickball tournament and you should see the pretty prizes we won. Little bracelets and we like to wear them. We practiced hard to win and we won.

Here are the members of the new club Starbrights: Frances Castro, Ruby Johnson, Dolores Cantiller, Helen Dela Cruz, Natividad Cornell, Melva Johnson, Violet Cordeiro, and Della Smith.

Did you see the big crowd watching the movies last week on Tuesday? It was the Little Friends and the Manila Clubs and we saw everything. It was just like going to camp. Everybody sat so close to the screen there was hardly room for the camera. Clotilda Kea got her head in front of the camera once and nobody could see.

Mary Letoto of the Tiny Club who is their reporter tells the editors she can not spell the big words so the other reporters had to help her. The Tiny Club made pudding at the last meeting, went swimming and then came back and ate. Mary says the pudding was "ono ono."

Snowwhites are making handkerchief bags, so you had better watch for little pink and blue bags that we will wear on our wrists. Good idea?

Brownie Pals made some good kind of candy. We call it the "pull-pull" kind and you do pull it. The real name is taffy and it is good.

Mariposas have started on their Christmas stunt. We have a Prince and a Princess, an old lady, a Baron and some children in it. It's going to be good.

The Leilani Club like to swim. Last club meeting we met in the tank and we had a lot of fun. We played games in the water. Come and watch us some time.

The Twilight Junior club have the purse making bug too. We are working like mad to get them done, but somehow we are kind of slow.

ALL GIRLS!

Give your reporters your club news so your club will be in the paper. We do not want to miss any club. Lets all help with "Palamas Parrot."

GOSSIP

On October 25 there was a Halloween Party for members of Palama. Christine Mendez came with a Mexican hat and had earrings on. Though she didn't have a Halloween costume on she looked beautiful.

Emmanell and Barbara Vieira had some nifty hats on Friday. Barbara had a green hat with a yellow feather and Emmanell had a purple hat with a yellow feather. Some hats, girls!

Lorraine Chai is making a great big purse. It is for her mother or is it for herself. Leave it to Lorraine!

Stella Lee, Miss Newsom's secretary, had been sick for two weeks. Do you suppose she had the flu, girls?

Miss Yukie is making a raffia purse. She says she's making it because nobody gives her a purse on Christmas, poor Miss Yukie.

Mrs. Bostrom has learned to play ping pong already. She took lessons from Libby and Eloise. Lucky for Mrs. Bostrom!

The reporters are going to make pins for their club so watch for those pins and you can tell who is a reporter.

There is a new teacher working for Mrs. West. Her name is Mrs. Rothman. She is going to help teach swimming, we guess.

It seems like everybody is making purses at Palama. What is the matter? Doesn't anybody believe in Santa Claus?

LET'S LAUGH

Jane: Don't you like corn on the cob?

Jim: No, I don't. That's why I bite it off.

Ben: Mother, Nature sure is smart.

Mother: Why do you say that, Ben?

Ben: Well, she didn't know we were going to wear glasses, but look where she put our ears.

Jane: Mother, I don't feel very good.

Mother: Where do you feel the worst.

Jane: In school.
