Monthly Report
February, 1951

With February comes report cards, student recitals, and a number of other exciting things such as a practically brand new piano, and a Valentine party without which the month of February would hardly be complete.

The Student recitals held on Friday evening Feb. 9th and Saturday morning Feb. 10th were attended by a total of four hundred and thirty one people. A new feature of the program included the Minuet danced by a class from Likelike School. This class has been coming for Music classes once a week on trial basis. The parents attending adult Music classes were called upon to perform as definite evidence that it is possible for older people to understand and enjoy music. The newly-overhauled piano caused quite a flurry of excitement, for the children in their very eagerness to play the new piano forgot to be nervous.

A Valentine Party was held by the G clef club on Feb. 10th. The holidays Feb. 12th and 22nd were also observed by students thereby causing the month to go by quickly.

Because of the temporary overflow of students, Mrs. Ruth Gallegos, a former teacher, was engaged on Jan. 24th for part-time work on an hourly basis. However, since there were not sufficient work to occupy her, she resigned as of Feb. 21st.

Respectfully submitted,

Dorothy Chun
