Palama Bazaar

The staff and some parents worked in the preparation of food on Friday, April 6. The teen age girls came to help with the barbecue meat but we had difficulty in having the meat delivered on time. However, with the available help we were able to finish by 5:30 P. M.

The response to donation was excellent. Everyone of the parents donated either money, grocery, vegetable, sushi, etc.

More volunteer help was needed. The parents commented that a one day affair was much better. All the parents were happy ^{and pleased} about the result of the bazaar.

SPECIAL EVENTS

MAY DAY PROGRAM was held April 30. May day was celebrated at school with a simple program. Jorgeen Lee was chosen to be May queen. The program was well attended with about 40 parents present. The parents commented and said how much they enjoyed the program and that our program was far better than the grade schools.
