PALS THIRD IN RAINBOW RELAY CARNIVAL

Winged "P" cinder artists, AAU track and field champions, breezed into third position in the annual Rainbow Relay Carnival behind the University of Hawaii and Citywide A.A., Saturday afternoon, May 28th, at Alexander Field. Scores were; University of Hawaii 95, Citywide 76, Palama 55, and Waimanalo 23.

The Pals garnered four blue ribbons in a meet featured by the brilliant running of Charley Ornellas, veteran ace and coach of the Westside squad. Ornellas practically won two relays for Palama, his 50-yard advantage as first man in the four-mile relay being the margin of victory, and his fine anchor lap in the medley event made up a 10-yard deficit to defeat a fine field.

Howard Fernandez was a surprise winner in the broad-jump, while Smaller came through in spectacular fashion in the javelin throw.

INTER CLUB BOXING SMOKER DATE ADVANCED

The first Inter-Club Boxing Tournament, originally scheduled for this Friday, June 3rd, has been postponed until Thursday, June 9th, to give the boys more time to round into condition. Entries will close with Mr. Harry Lee at 4:00 p.m. Wednesday, June 8.

A beautiful gold trophy, now on display in the Settlement show-case, will be presented to the winning club. Contrary to previous announcements, this trophy will be a perpetual award instead of a permanent one.

Fighters will be classified under five weight divisions, 80, 95, 110, 125, and 140 pounds, and must scale in on the day of the tournament. This gives the small boys as much chance to score points for their club as their larger pals. Teams, however, will be limited to five entries, probably necessitating intra-club tryouts.

All bouts will be fought under the Queensbury rules of boxing, with 14 ounce mitts. Three two-minute rounds will be required off 110, 125, and 140 pound battlers, while the 80 and 95 pounders will throw gloves for three one-minute stanzas.

Big interest is being shown in the forthcoming ring fiesta, several clubs holding nightly sparring sessions in the Settlement ring. Gloves are available to all groups by request.

Fil Marvin, director of the smoker and match-maker, has worked out an ingenious scoring system designed to give all clubs equal chances to win the trophy regardless of size, weight, or ability. Points will be awarded on the following basis:

300	points	for	a	Decision
250	"	"	"	Technical KO
200	"	"	"	KO
150	"	"	"	Draw
50	"	"	"	Team Entry
				(Win or Lose)

Teams should note however, that 50 points will be deducted for a forfeit, which means that a club will lose 100 points by so doing.

Mr. Marvin is making arrangements to secure the services of a prominent local fighter as referee, and promises a colorful and sizzling show of Palama boxing talent.

A blotter is something you look for while the ink dries.

*Forfeit games

Rengo Kai scored a startling upset in Palama Settlement's softball league by nipping the pre-season-favorite McInerny Monarchs 8-7, Sunday morning at Castle field, Palama. Only five games were played in a scheduled 12-game program, as forfeits marred the day's activities.

In fairness to McInerny, it must be mentioned that the Monarchs played without the services of their big berthas, George Naeuao and Aiwohi. However, this does not dull the brilliance of Rengo Kai's gem.

Ernest Kauhane's Elders Club is now leading the team parade in Section "A" with six victories in as many starts.

The defending-champion Chinese Amateurs were given a scare by Waipa Lane but managed to triumph 8-7. The Chinese Amateurs took a strangle hold on the "B" Section title by virtue of the victory.

Lakimela A.C. continued to occupy the driver's seat in Section "C" with five victories and one defeat.

DID YOU KNOW?

That the Boys' Club will have a Pow-wow and Rally on June 10, Friday, at 7:00 p.m. in the gym. Races, relays, stunts, pie-eating contest, and a swim are included in this big club pow-wow.

That the Panther Club is making a magazine rack for the Recreation Department as a club project. With the completion of this project, all boys' department magazines will be placed in the club office, and magazines will be loaned to members only. The boys' meeting room will be turned into a day reading-room.

That the Pirates Club goes in for parties in a big way. They are holding an invitational dance in the gym this Saturday night, June 4. "Exclusive" will be the word to describe this affair. No boy will be allowed in the gym without a coat and tie.

That the boys' workshop has a new boxful of lumber. The boys' department wishes to thank the Honolulu Planning Mill for their generosity. Come around the shop, boys, and see for yourself what new things are around and what you can make for yourself.

That the Junior Ramblers Club had a wow of a time at their club party last Friday night. "Bö-Bo" Kang made a hog of himself, and Joseph Lee tried hard to imitate an opera singer.

That 29 boys' club members went on a picnic to Waimea Falls on Memorial Day. It certainly was a memorable day for the two boys who fell into the stream while jumping from rock to rock.

That the Scouts "Court of Review" will be held Wednesday, June 1, and the "Court of Honor" on June 8 in the gym.

That Airplane Modeling will be one of the craft classes to be conducted this Summer beginning June 27, and that Kenneth Young will be the instructor.

That saving your nickels and dimes daily for the next 20 days may put you in a position to go to the Palama Summer Camp. Boys may sign up for a week or for 3 days.
