General Statement:

November - the pre-school observed two holidays - Veteran's Day and Thanksgiving. We were opened on Election Day and the total attendance was 43, just about half of our enrollment. The majority were Day Care children.

For activities, the classes centered their theme on Thanksgiving. Each child made a potato turkey to take home. Songs and the use of paints, clay, crayons was also used in making thanksgiving projects. The children had their Thanksgiving Luncheon served on Tuesday. We especially put emphasis this year of being "Thankful" for many things for Christmas decoration and Santa Claus was very early this year,

The pre-school purchased four cement pipes for out-door equipment. These will be painted in gay bright colors. The children are enjoying them. Mr. Richard Wong of 1535 - D Palama Street, one of our parent, is giving the pre-school a tree for our play area. This will give the children and teachers some shade.

Our Day Care children this month reached 60. We have hired Mrs. Cadiente as a part time teacher for three hours in the P.M.

The Traffic Commission granted the pre-school a School Loading Zone with hours 7:00 - 8:30 A.M. and 3:30 - 5:00 P.M. from the front of the building extending to 500 feet towards the park. This will be safe for our children and give our parents space to bring and pick up the children within these safety zone.

In order to have adequate coverage for our increased enrollment of children, it will be necessary for teachers to work seven hours per day instead of the usual six and half hours per day. This will be effective in December.

Our next P.T.A. will be held on December 9, 1958 at 7:30 P.M. Plans for a combined all Palama Settlement Christmas will be discussed.
