

MUSIC DEPARTMENT
Minutes of Staff Meeting

February 16, 1953

Our meeting opened today with a discussion on "Parent's Nite", which is scheduled for this Wednesday, February 18th. We decided to serve cookies (baked by parents if possible), and punch as refreshments. For entertainment the music staff offered to render piano duets and a flute solo. The square dancing will be led by Mrs. Gressitt, a parent, and Miss Kawamura.

Mr. Kelly requested that an analysis be made by the teachers of their students to see whether they were attending the proper theory classes. It was also suggested that we will be thinking about the formulating of new group activities such as chorus etc.

Mrs. Park offered one of her music theory classes for the Palama annual dinner meeting next Thursday. Since a suitable piano would not be available at the preschool, it was decided that we will not have any piano numbers.

Assignment of new students were made and individual problems were discussed.
