SPECIAL EVENTS:

We have had 3 birthdays this month. At times the children were given surprise favors by parents observing their child's birthday.

EXCURSIONS

The youngest group were taken to the aquarium.

The older group visited the Bishop Museum and showed much interest in the exhibits. The children showed much interest in the exhibits and asked many questions regarding the birds, fish, poi pounder, etc.

MARCH 24. Ten of the older children appeared on Kona T.V. The children and parents were most excited and happy about the performance on T.V. The children gave 2 numbers. The Mexican Hat Dance and a folk dance called "Digging up Sand". The children did the dance well and we heard many good comments about their performance. The mothers were very cooperative in bringing the children to school for the "Open House".

There was a good crowd present and the children enjoyed themselves in participating in the Open House program. The younger children had made paper dolls for Doll' Day. This we used as their contribution to the program.

The children sang the song, "My dolly can say Mama." They also skipped, walked, danced, etc with the dolls.

After the Open House we focused our efforts in preparation for the bazaar. We had 2 workshops. One on Friday, March 18 and the other on Mar. 31. The turn out of the parents was poor but we had 3 or 4 faithful mothers present to help us.

COMING EVENTS:

1. Bazaar
2. Easter
