The staff attended the annual O.E.A. meeting at McKinley High School and at the Roosevelt High School.

The meeting started at 8:00 A.M. and ended at 1:00 P.M. The speakers were Governor Long and Mr. Shimer of the United Nations. He gave information of the work being done in encouraging world brotherhood.

The Roosevelt chorus and speaking choir gave an interesting number depicting the birth of our nation and its principles of democracy.

General statement

We have had 3 cases of measles this month. Being a rainy month we have not been able to take many excursion trips.

Repairs

cots were repaired. The repair of swing was suggested. Orders for new swings were sent and we are waiting for its arrival.

New Equipment added

a rocking horse brought by Mr. Kelly

Unfinished Work

Painting of chairs and tables and doll furnitures.
Repair of leak in roof.

Suggestions for further improvement.

Storage space for wheel toys and outdoor equipment.

Special events

Thanksgiving was observed by having a Thanksgiving dinner for the children at noon with a turkey dinner and all its trimmings.

The children were keenly interested in making turkeys out of cocoanuts. Some made clay and paper maché fruits.

Mr. Kelly brought a horse on springs which swayed and spring up and down. The children are riding every day and is one fo the favorite equipment we have in school.

Three birthdays were observed this month. Birthdays hats were made by the children and had ice cream and cake as dessert which were donated by the parents of the birthday child.
