

The pre-school bazaar was held on April 7, 1951 from 11:00 A. M. to 4:00 P. M.

From a meeting held on March 9th, it was decided that food, rummage, plants, were the best salable features. A Fish Pond for the children was suggested by one of the parents.

Two Parents' meetings were held on March 9th and 30th.

On the 9th the agenda of the meeting were:

1. Election of chairman
2. Setting the date and time of sale.
3. Committees and chairman to be elected.

The result of the vote taken and the result of the committee chairman chosen were:

- a. Mrs. Esther Lau elected as general chairman of the bazaar.

Esther So as assistant to the chairman.

- b. Time set from 11:00 A. M. to 4:00 P. M.

Date---April 7, 1951.

- c. Committees: Food, Rummage, Plants, Fish Pond.

Chairman for Food-----Miss Mildred Fukuda

Mrs. Mildred Ishida, Assistant

Rummage- -----Miss Hazel Fujii

Plants-----Miss Ellen Cha

Fish Pond -----Mrs. Oyama

On the 30th of March it was set aside as a workshop. There were about 18 parents present.

The fathers painted and made signs for the bazaar.

Mothers sorted clothing, priced, worked on finger painting to cover the waste basket.

Cooperation was secured by the parents by the notes which were sent to all parents suggesting articles needed for donations and what they were willing to donate. There was a good response and all of the parents at least donated one or two things. Volunteer services were secured by a check made of all parents who could help and when help was available in the mornings hours or the afternoon hours. There were more people who were willing to help during the morning hours since this was the busiest time for all when the most sales were made.

Publicity: Leaflets were made and distributed around the neighborhood by the children. The leaflets were attractively made and mimeographed by Margaret Iizaki. Posters were made by Mildred Fukuda and E. So and put up in the Settlement and neighborhood stores. Letters were typed and sent to all the ^{new} alumni parents and also to the board members of the Settlement.

Evaluation

1. Time can be set from 11:00 A.M. to 3:00 P.M.
2. Less hot dog and more chow mien.
3. Have good announcer for the P.A. system.
4. Newspaper ad could be in sooner with photo?
5. Have mothers come at 9:00 A.M.
6. Work on posters earlier.

7. More salad could be sold.
8. Ice cream was sold but since it came too late it was not worth selling.
9. More fish pond prizes.
10. Scripts will have to be made for 1952.
11. Cotton dresses were better than silk or rayon dresses for selling. Children's clothing were good sales.

12. *Keeping the gate closed + preventing the sale of scripts early.*
 The following donated articles, food, gave rummage, etc. *eliminated congestion*
