## BIG MIDGET HALLOWE'EN PARTY LISTED FRIDAY

Jack o' lanterns, goblins, witches, and the host of denizens who prank in the land of make-believe will find their counterparts in real life when Palama youngsters jam the Settlement gym Friday evening, October 27, at 6:30 o'clock in the biggest, most rollicking Hallowe'en Party in the history of the Recreation Department.

A big parade, a contest for the cleverest and most devilish Hallowe'en costumes, movies, and refreshments, are part of a big evening planned by the department for its boy and girl members.

Skits featuring only Palama club talent will add to the hilarity of the program. Tickets for the party is now being distributed by Miss Alice Yee daily in the Boys' Recreation Office. Palama members are requested to bring their membership cards when calling for tickets.

## SECOND LECTURE OF "SEX" SERIES THURSDAY

The second lecture of the "Sex Adjustment" series sponsored by the Recreation Department will be given Thursday, October 26, at 7:00 p.m. in the Settlement auditorium. The subject will be "Prostitution and the Causes Underlying It" and will be handled by an authority.

## 120# & 135# CAGE MEETINGS SLATED OCT. 25

The organization meeting for Palama Settlement's 1939 basketball leagues at 120 and 135 pounds will be held Wednesday, October 25, at 7:00 p.m. in the Settlement auditorium. All clubs with intentions to play in the popular Westside circuits are requested to send representatives to the meeting, which will also be the final meeting of the league.

Deadline for entries has been set at Saturday noon, November 4, at the Palama Recreation office. Play is tentatively scheduled to begin Thursday, November 9, immediately following the close of the 110# loop which is now in operation.

Defending-champions are Tommy Wong's Pirates in the 135# league, and Elmo Tomita's Club Billiard Parlor in the 120# division.

## B.K.Y. UPSET BY HUI ALIIS IN 110# CAGEFEST

Raymond Choo's hard-playing Hui Aliis scored a brilliant 27-18 upset victory over the defending-champion B. K. Yamamoto outfit in the only 110# cage tussle played last week in the Palama gym. Scheduled twin-bills on Tuesday and Thursday evenings were washed-out when Hui Imua forfeited to Pirates "A", Maggie's Inn ran out on the Raiders, and Castle A.C. took another default by Hui Imua.

The B. K. Y. defeat left Tommy Wong's Pirates the only unbeaten team in the circuit, with Hui Aliis, Castle A. C., and B. K. Yamamoto sporting one setback each.

Suenaga starred for Hui Alii by registering 12 points, 10 of them in the second half. Raymond with five digits, and Lum with four gave Suenaga fine support. Teshima was the whole show for B. K. Yamamoto, ringing the basket for 11 points and playing inspired ball.

B. K. Yamamoto led 10-7 at half-time, but could not deny Suenaga and company in the ensuing period.

## BOYS' CLUB NEWS

### SWIMMING

Raymond Choo's Palama Boys' Club nators under 12 years of age scored an exciting 48-47 victory over the Salvation Army Boys' Home in a seven-event dual swimming meet held last Friday evening, October 20, in the Palama pool.

The Pals were paced by Sam Leialoha, who splashed water into the faces of his opponents all evening. However, the Salvation Army lads matched the Westsiders point for point in nearly every event.

An indication of how close the meet actually was may be seen in the results of two events, the 80 and 160-yard relays, when both teams finished in dead heats.

### FOOTBALL

The Palama Boys' Club chalked up another athletic victory over the Salvation Army boys during the weekend, when its football team humbled the Boys' Home 20-6 in a 130# tilt Saturday afternoon, October 21, at Castle field.

Ah Choy Woo sparked the Palama victory from a half-back position by smashing through for big gains whenever he lugged the ball.

## PALS TO FLASH STRONG TEAM IN JR. CAGE LOOL

Performing under his wing are such stellar cagers as Charley Ah Sui, James Lam, Charley Kanau, Henry Hu, Yen Chun Ching, Art Kauahi, "Seaweed" Kealoha, Bill Whaley, Afong Kong, Wah Kau Kong, Henry Choy, Robert Wong, and Kenneth Wong.
