Mr. H. F. M. Dove, Chairman
Community Service Committee
Rotary Club of Honolulu
P. O. Box 2216
Honolulu, Hawaii

Dear Harry:

Many thanks to you for your fine letter of May 12th in which was enclosed a check for \$50.00 donated by the Rotary Club of Honolulu to the Music Department of Palama Settlement for the scholarship fund. Please express to the Board of Directors of the Rotary Club sincere appreciation and thanks not only of myself but of all of us here at Palama.

I appreciate also the further thought that you included in your letter in regard to the Palama Settlement Campership Fund and the fact that the Rotary Club intended to make a donation to that fund also. I can't begin to tell you how much this means to all of us. It's such a help to know that the people of the community, and especially of the service clubs, are in back of this program for which so many of us are giving so much of our time and thought. A great deal of good is accomplished, I can assure you, through both of the scholarship funds mentioned above.

Please extend to the Club my sincere thanks and appreciation.

Sincerely yours,

Walter H. Ehlers
Director
