Our enrollment is still 66. We had 5 drops last month, however, we took 5 from our waiting list. We are still adding to the waiting list. Our children are now adjusted to the school and teachers. Classes are busy with activities and projects.

The children will be going to several excursions,

We have two University O.P. students with us. They will be here until the ending of the first semester. The girls come once a week, on Tuesday and Wednesday. They start at 8:00 - 12:00. Both girls are cooperative and will be good teachers.

Our children of the older group will be given a hearing test Nov. 1. We were too late for the sight test as their schedules were all made for the year, however, we hope to with the rest of the school for the next fall term.

Installation of canvass curtains on the "Diamond Head Makai" side of the main school room is completed. The room will be more comfortable during rainy and windy day. Purchases of several cooking utensils has made our dietician very happy and makes her work much easier.

Staff members enjoy their own class room and are able to have good control and understanding of their own children. The teachers are able to project their creativeness to the children with their own room.

Advisory Committee met on Oct. 30, 1956 at noon. Recommendation for additional class and teacher met their approval. Plans for future classes for 125 children, increase of fees, additional equipments, will be looked into.
