

Enrollment	50
No. of school sessions	22
Total absence	154
Total present	956

Pupils dropped	4
" added	3

Pupils dropped

1. John Davis
2. Sharon "
3. Clyde Takafuji
4. Donna Abilang

New Pupils added

1. Eugene Abilang
2. Harvey Yoshina
3. Donna Abilang (dropped after a week)

General Statement

We have had a perfect attendance of the staff this month.

Miss Wada and E. So attended the first aid classes.

I have been kept busy with Parents' conference. A personal interview concerning the child's progress in school was made with 6 parents this month. The parents were all interested in how the child was getting along in school. Many have expressed that they were well satisfied with the school's program and that they were pleased and happy about their child's progress and care given at school. They all commented about the good lunch served to the children. According to our last results in our weight check-up of the children most of the children have gained from 1 to 4 pounds within 3 months.

Special Events

Dolls Day All the children were taken to see the doll exhibit at the Ala Moana Pavilion. There were 4 mothers who helped with the transportation. The mothers enjoyed the excursion trip just as much as the children. There were many home made dolls as well as the commercial ones. The children were allowed to choose their favorite doll.

After the doll exhibit the group visited the children's Museum. Here we were able to see live animals as well as stuffed ones. We saw a head of a huge buffalo, woodpecker, owl, etc. Since there were many other children visiting the museum from various schools we were not able to make a leisurely visit.

Advisory Meeting There was a meeting of the Advisory Committee on Mar. 29th to discuss about having longer hours and a Day Care program. It was decided that we have a trial of this longer hour program during our summer program.

WAS

The Mothers' Committee met on March 31st to discuss plans about the bazaar.

Publicity: In order to encourage a big crowd several things were suggested.

1. Have a picture and write up in the paper about our bazaar.
2. Make hand bills.
 - a. Mrs. Shizuru offered to make mimeograph copies and cut stencils for the hand bills and the letters to be sent to our alumni parents.
 - b. A group of mothers offered to deliver the hand bills around the neighborhood.
3. Send letters announcing about the bazaar to the alumni parents.
4. The possibility of having a spot ad over the radio.

Donations

After the donation sheets are back, the parents decided to meet again to make definite and final plans for the bazaar.

Coming Events;

Easter fun for the children on Friday Apr. 9.

The children have made Easter baskets from milk cartons and have brought their own eggs to be boiled and colored on Friday. We are planning to have an egg hunt. Many of the children have made paper mache' bunnies to be used as puppets. We have also a chick at school for the children to observe and watch and care for during our Easter activities.

Mrs. Chun Hoon donated some Easter egg candies and chicks for our Easter basket.

Easter vacation from Apr. 9---18.

May Day Program for Parents and children will be held on Apr. 30th.
