Dear Mr Loo —
It certainly was generous of the
Hono. Lions Club to give us a check
for 50 00 for our music Scholarship fund. We
really appreciate your help. Will you be
good enough to give our thanks to the Youth Committee
and the Club members. Palama has approximately 250 boys and girls
in its music program. Although our
fee is only \$5 ⁰⁰ a month about
25% of our members
cannot pay

This small fee. These are the
typists who benefit from the
scholarship fund.

If Mr Kelly (the music Sec't Div.)
or I can be of any service to the Lions Club
please do not hesitate to call on
may thank you again for your help.

Walter
