Subject \$275.00 added to Pre-school Scholarship Fund

An additional \$275.00 has been transferred to your Scholarship Fund. No commitments on scholarship should be made until approved by the director. Also, scholarship funds are to be spent wisely and only to those who need it. All such cases must be thoroughly investigated. Scholarships are only to be extended to children and adults in the immediate Palama area - this being, School Street, Liliha St., Houghtailing Street and King Street. After this area is cared for, then Palama extends to Alewa Heights, Nuuanu Street, Kalihi Street and Dillingham Blvd.
