Dear Maria,

We are now scheduling for the Fall and I am very anxious to know how many days you will be able to teach. I realize that you do not know what days - but - I will appreciate as to how many days and how many hours - how many pupils.

I would like to give you the more experienced students before giving them to the new teachers - so may I expect a letter in the next few days - not later than Friday, that is if this is possible - I can't tell you how important this is to your fall schedule as well as our fall schedule.

We all wish you are having a pleasant time.

Sincerely yours,

Dorothy H. Moritz
