Total Attendance.....1771
Total Absence.....202

GENERAL STATEMENT:

October was a very busy month for the pre-school children. Children are now adjusted to school and are ready to do major activities. Children are learning about Autumn and different shades of colors. They paint, color use clay to form leaves, do dances, and go on excursion to gather leaves. For Halloween they made masks, baskets and songs of Halloweeh.

The two older groups went to see the puppet show given by the Community Chest at Nuuanu Y.M.C.A. The pre-school children did very well in their donation to the Community Chest Drive.

We have four student nurses from the Queen's Hospital coming to the school to do their pediatric observation. They will be coming for the rest of the school year. The nurses spend the entire morning with us. One nurse is sent on each Thursday of the month.

The University O.P. students are also with us for a semester. This year we have two students. One comes on Tuesday and the second on Thursday.

Our Day Care enrollment is now 54. Our Kindergarten 34. Next month our Day Care students will increase as more mothers are going to work.

We had an informal Aloha Week program in school. Hula dances with the hula hoop was one of the features. We also had our kings and queens with each class taking turns.

Parents met for their first P.T.A meeting. 85% turn out. This was our best attendance. New officers were elected. Meeting set for the first Tuesday of every other month. Christmas program was set for December 19th.

Due to the increase of our Day Care children, we are hiring a part time person as an assistant to an afternoon teacher. She will be working three hours per afternoon.

Mrs. Sison is acting as substitute teacher for our teacher on vacation. Mrs. Look is on vacation this month. Mrs. Fisher will be on vacation in November. In December we will have our fifth class and Mrs. Sison will be a permanent teacher. She will also be an assistant music teacher.
