We purchased a repossessed freezer from the Easy Appliance at \$299.00 This was necessary because of our surplus food and we needed a place to store our extra meats. We also purchased new dishes from Hotel Dohrmann Supply.

The Volunteer Service Bureau gave the Palama Pre-school 6 tricycles, 5 cars, 5 scooters, 4 kiddie car and 3 large boxes of small toys.

Our Christmas program was a success. We had a 100% turn outs. The Nativity Play was repeated twice through the request of parents.

Revised budget for the Pre-school for 1957 has an increase of in expenditures and in salaries. Mr. Ehlers will present to the Board and the Advisory Committee.

The raising of fees for this month was not necessary and Mr. Ehlers and I thought it best to wait until Fall to see how we stand in our budget.

Palama Pre-school is lower in fees from the report of the other Day Care Centers and Nursery.
