General Statements:

The kindergatten moved into the new location on January 6, 1958. The school decorated with the children's gay primary colors blends well with the colors of the class rooms. As you enter, the kindergatten gives you a feeling of a gay happy place for children and that the school belongs to them. The parents are very satisfied with the school and its new location.

The children are adjusted to the school. The walk to the play area is enjoyed by all. They love their fence and its many gates. The huge park they especially love because they run from one end of the field to the other end. The individual class rooms is enjoyed by the children and staff members. Here, they can display their own children's work and also the teacher's own creative ability.

Open House was held on January 31, 1958 from 3:00 - 5:30 P.M. Mrs. John S.D. Wong and Mrs. James Young were co-chairman of the affair. They did a splendid piece of work in promoting the school and in the preparation of refreshments. The parents contributed to the open house in donating cookies. About 350 parents, friends and visitors attended.

The Kamehameha Lion's club finished 5 pieces of doll furnitures and this was put on display at the open house.

There will be a parent's meeting on February 19. It will be a work shop.
