The November meeting of the Palama Settlement Music School Advisory Committee was held at 7:30 P.M. November 8th. with the following:

PRESENT

Mrs. Cayaban
Miss Chun
Mrs. Hitchcock
Mrs. Watkins

ABSENT

Mr. Haneberg
Mr. Moritz
Mr. Rian
Mrs. Shim

Mrs. Hitchcock, chairman, opened the meeting by reading the minutes.

The need of appointing a secretary for the Committee was brought out. Mrs. Hitchcock will appoint someone for the position.

The tentative schedule of recital series as listed on the agenda was presented.

Since there were only three committee members present at the time of consideration one being tardy, the committee worked on drafting the policy on Scholarship. The following is the policy to be presented at the December meeting.

SCHOLARSHIP

1. A general scholarship fund is set up from donations of organizations and or individuals who wish to aid needy and deserving students.
2. The two types of scholarship are:
Full Scholarship which will cover the cost of music lessons only. This does not include book or registration fees.
Part Scholarship which will cover a percentage of the cost of the lessons.
3. These scholarships will be given to needy students after a music test and upon recommendation from the Director of the Music School.
4. Scholarships are granted or renewed at the beginning of each semester.
5. Scholarships will be terminated if student's work is not satisfactory.

The matter of different ways and means of raising money for our scholarship fund was discussed though not extensively.

The Committee was in favor that the December meeting be held a week earlier, December 6th. in view of Christmas activities.

There being no further business the meeting was adjourned.

Respectfully Submitted,

Dorothy Chun, Director
