General Statement:

The children are enjoying their water play. Each class take turn in the use of the life-raft boat. & the water sprinkler. Tuesdays is excursion day in the Pre-school and a picnic lunch is served that day. This is done once a week with each class taking one Tuesday of the month. The class on excursion pack their lunch and also go on a picnic. The classes left back have their picnic lunch around the school area.

The Diamond Head School is having six weeks course or classes for the blind children. Mrs. Sabala is taking this course for one hour and half for three to four days a week. This will ^{be} the principal some idea and technique how to handle children who are blind in the normal class situation. We have had one blind child or deaf child referred to us by physicians and with some knowledge of techniques ~~wixx~~ the Pre-school can better serve these children.

The Hawaiian Dole Pineapple Co. donated several truck loads of dented cans of sliced, tit-bits, chunks, to the Palama Settlement. The Pre-school appreciated this donation.
