- I. Staff agreed that playground be used for day care children only.

Exclude others by informing them of our change in school hours.

To have sign up about the school hours when we are in session.

SPECIAL EVENTS

Easter The children brought 2 raw eggs from home which they dyed and also made their own Easter basket from milk cartons.

Mrs. Chun Hoon donated candy easter eggs and chicks to be added to our Easter basket. Our cadet, Miss Okamoto made a beautiful Easter tree with colored eggs and small dainty baskets hanging from the branches of the tree.

We also had a Easter basket hunt for the children. Everyone had fun looking for the hidden basket outdoors and all in all we had a lovely Easter!

Mothers Day

The younger children took potted plants home as a mother's day gift. Each child took care of their plant watering and watching it grow.

The older children made book ends from scraps of lumber given to us from the shop. The mother's were pleased with their gifts and we recieved comments of how useful and nice they were.

MAY DAY PROGRAM

A May Day program was held on Thursday, April 29th. This program was well attended by the parents. In spite of the rain we had about 25 parents present. Kathleen Kanehira was chosen as our May Queen. She was dressed in a beautiful white holoku which her mother had sewed for the occasion. Ronald Lee and Glenn Park were our Kahili bearers.

On Friday, April 30th the children were taken to see the May Day program at Kaiulani school. It was an hour program but showed good planning for the performance was excellent and everything went on beautifully.

The children enjoyed the Indian dance for the children were painted and looked bery gay and colorful in their feather head band and banners. The Chinese lantern dance was enjoyed by the girls. There were many folk dances that the children knew and recognized for they had learned them here at school.

The Parents' meeting was held on April 2nd with Mrs. Lucas as our guest speaker. The topic, "Sibling Rivalry" was one of interest to our mothers. We had about 20 parents present and had a lively and interesting discussion.

Coming Events:

May 8th Bazaar  
P.T.A meeting May 28th.
