Rev. Earl Kernahan
First Methodist Church
Honolulu, T. H.

Dear Earl:

Many thanks to you and the Board of Directors of the First Methodist Church for the loan of your building last Friday night for our benefit concert. I believe that the music scholarship fund will be enriched by better than \$400 as a result of this concert.

May I congratulate you on a very fine new church building. The design is pleasing and clean cut. There is a feeling of spaciousness too that is good for the soul.

Thanks again for your continued interest in Palama.

Sincerely yours,

Walter H. Ehlers
Director
