6. Report of the blind child enrolled in school.

I. There is to be an increase in membership fee from \$1.00 to \$1.25.

II. Increase in tuition to be made as of February 1st.

A. Recommendation made:

1. That we charge \$20.00 instead of \$18.00 for tuition as ^{of} February. (This raise will enable to pay for the running cost of materials.)
2. Notification of this raise in tuition will be made to the parents in the form of a letter explaining the reason for the change in the tuition rates.
 - a. If any drop-out occur --- to be aware of the reaction of parents and to find reason for their action.
3. The raise in the tuition rates is preferable to increasing the number of children in school.
 - a) Keeping a smaller group is important in maintaing a high standard thereby being recognized as a good school.
 - b) Parents are more and more seeking schools with smaller groups and we are beginning to have a reputation of being a good school because of this feature.

- c) Maintaining a good school with high standard is important if people are to know that it is supported by the Community Chest.

BAZAAR That the pre-school carry on own bazaar to raise funds.

1. The project will have other values besides raising funds.
2. The advantages and values derived from the pre-school having their own bazaar.
 - a. Enables the teachers to have closer relationship with the parents.
 - b. Help parents feel a sense of worth and belonging and responsibility in contributing their effort and time in doing something for the school.
 - c. Arouses interest in the welfare of the school.
 - c. Be made aware of the needs of the school.
 - e. Parents will meet other mothers and become acquainted with them while working together.
 - f. That the efforts will result in their children benefiting with the possibility of improvement and new equipment purchased for the school.
3. Possibility that the bazaar held at school will have a better chance of realizing the goal.
