A meeting of the Music Committee was held at the Palama Music School on Thursday October 17, at 7:30 P.M.

The meeting was attended by Miss Winne, Mr. Vesey, Mrs. Lam, Mrs. Munro, Mr. Hood, Mr. Rhea and Mrs. Barnes.

The need for a full time teacher was discussed. It was suggested that we start some piano classes or pre-piano classes with the smaller children, limiting the class to a small number of the younger children. Miss Olsen formerly of Kamehameha who is now retired, was suggested as a possible teacher.

A full time teacher either from the mainland or from the islands could be added to the staff at no extra cost to the school.

The music program for November was discussed and there were several names suggested of persons who would be interested in giving us concerts. It was decided to Have Mr. Rhea ask Mr. Elroy Fulmer, Director of the Community Theatre, to bring the principals of the cast of "Patience" to Palama to give a half hour program in costume. The music school will give a limited number of admission cards to interested people in the community.

The following persons have shown an interest in our program and will no doubt assist us in the future.

Mr. Willard Wilson
Mrs. Van Oort
Mrs. Hitchcock
Mrs. Mildred Dauer Gelvin
Mr. Carbaugh
Miss Kerr
Miss Aitken

Mr. Hood spoke of the Junior Chamber's efforts to start the Honolulu Junior Symphony and promised to keep us informed of their progress.
