My dear Mr. Kelly,

As you can see from the date on the check, this has been theoretically on the way to you for some days! Only because of my negligence has it not reached you sooner.

The \$35.00 which the Kappa Kappa Gamma Alumnae Association is giving to the Music Department of Palama Settlement is to be used in any way you deem best for carrying on your work.

Perhaps you might let us

know either through me or through
Mrs. Edward Jeffrey, with whom
you have spoken on the telephone
I believe, just where it is to
be used. I am sure our members
will be interested to hear.

With this check go our
sincere wishes for continuing
success in the wonderful
work you are doing.

Sincerely yours,
(Mrs.) Lucy Reese.
