On October 25, 1940 on next Friday night there will be a Halloween party in the big gym. Get your tickets from Stella in the office. Be sure to bring your membership cards with you when you come. All club girls come. Its a movie. Don't miss out on anything.

All the reporters will be there to see anything that happens and all special items of interest will appear in this column.

The Midget Clubs kickball tournament is coming along fine. These are the clubs that are left in the tournament. The Cinderellas, the Snow Whites, the Leilani, the Merrymakers, Starbrights, Little Friends and the Tiny club.

Come and watch the fast game between the Merrymakers and the Starbrights Tuesday afternoon. It should be good. The Merrymakers will be playing hard to win.

Club Reports

Our Gang club leader Miss Kong has left Palama. Dr. Loo has now become the leader of the club. The club has made some beautiful purses and had a very nice dinner this month. Dr. Loo had the flu and missed the dinner. Too bad!

Have you seen the swanky new pins the Cinderella Club girls are sporting. They are little slippers and the girls made them in their club meeting.

You should hear the rythm band of the Rose Reds. They are pretty good. When we really get good we will give you a concert.

The Little friends are good kickball players. Merrymakers make a note of this.

Manila Club has a new leader. It is Miss Beverly Kock.

The Starbrights are a new club at Palama. We beat the Manila club at kickball and we think we are pretty good. Our leader is Miss Ruby Ching.

Mariposa Club has changed its meeting time to Wednesday night. It has also become a junior club. We have made some good

the cream and we call it "the Mariposa Special". Try it sometime. We also made a cake and sold it to Mrs. Bostrom, Miss Stewart and Miss Chang. And they lived through it!

The Twilight Juniors are making raffia purses. And we are kind of slow at it. But we are patient and we will get them done sometime, but we don't know when.

The Jolly Juniors saw the Palama movies a week ago. We got a lot of laughs out of them. And we like the colored movies the best. All the clubs should see them. They are really good.

Monchures went to a picnic last Saturday. We needed cheering up after losing our kickball game to the Jolly Girls.

The Jolly Girls have a new leader whose name is Miss Elaine Ching. The Cinderella Club beat us at kickball but it was a close game. The score was 22 to 20.

The Hui Ma Pua have been making Christmas presents and playing volleyball. A picnic is scheduled for this Sunday. And we don't want any Portuguese pen-of-war around.

The Starlights have a new club leader. She is Miss Beverly Koch. But we weren't so good at kickball.

Miss Florence Leon is the new leader of the Tiny Club. And we can make good paper birds, even better than Miss Stewart or Mrs. Bostrom. Ours at least can stand up.

Rah! Rah! Merry-makers. We are working hard to win the kickball tournament. We may be little, but that helps us dodge the ball.

The Brownie Pals would rather play croquet than kickball. Maybe it is because we are not so good at kickball.

The Snow Whites beat the Pinnochios at kickball last Thursday night. Come and see the Snow Whites play the Lailanis next Tuesday night.

Miss Mikako Hirose is the new leader of the Pinnocio Club. Club members were disappointed because she didn't have a dimple. But we have decided that a dimple isn't so important after all.

The Lailani Club is busy working on their Halloween play. It is called, "The Scare Crow." We want to say hello to all the other Girls' Clubs at Palama.

The Roseland Club makes swell jello that you can drink. You should try it sometime. We had to drop the kickball tournament and join the Junior ping-pong tournament. We're too good at kickball.

Gossip

Miss Newsom is still on her vacation. When she comes back she will be real brown! Careful, Miss Newsom--not too brown!

How about Mrs. West and her flying lessons? You can give us all the fine points of flying?

Will Mrs. Bostrom get her purse fixed by this Christmas, or next Christmas or the next Christmas?

Have you heard the news that Annabel Swain is getting much better? We are all so glad. Keep up the Good work.

Vivian Young can't tumble on account of a sore toe. You're not playing kickball are you Vivian?

Have you noticed Miss Stewart's worried frown? It is because she never can find a pencil. She puts them in her hair and forgets about them. One day there were three.

If you notice any girls hiding in corners with a notebook in their hands it is only the reporters. The Parrot sees all, knows all, and tells all.

Let's Laugh!

Billy: Why is my little brother crying?

Willy: Because I'm eating my cake and won't give him any.

Billy: Is his all gone?

Willy: Yes, and he cried while I was eating that too!

Teacher: Ben, why don't you use tooth-paste?

Ben: None of my teeth are loose.

ATTENTION

All club girls--if you any news you want to appear in your paper, give it to your reporter or to Miss Stewart. Let's make Palama's Parrot a good paper.
