

50km  
PALAMA SETTLEMENT CHILDREN'S CHORUS

May 10, 1958

Dear Parents,

Our last activity for the CHILDREN'S CHORUS until September will be a picnic outing to PALAMA-UKA, our mountain camp on Saturday May 17.

We will leave Palama at 9:30 a.m. and be back not later than 6:00 p.m.

The children will need the following things:

Pack lunch and thermos drink

Warm jacket

Swim suit and towel

Shoes are optional - most of us go barefooted.

We would like to invite parents to go with us. This will be a fine opportunity to enjoy your daughter's companionship and have a lot of fun in a beautiful part of the island.

PALAMA-UKA is an hour's ride from the Settlement and is nestled high up on the foothills of the Koolau range with wonderful, well marked trails around the camp and clear streams for invigorating swimming. The area is very safe and an ideal mountain resort.

If you wish to accompany your daughter on this outing we will need to know by Wednesday, May 14th in order to arrange for transportation. If you have a car and would like to assist with transportation that would be welcome.

Younger brothers and sisters may come too if accompanied by parents.

Hope to see you Saturday,

John Kelly Jr., Director
