

Music Recitals Growing in Popularity

Program

About a total of 430 people attended the two Student Recitals held on February 9th and 10th at the Music School.

On Friday night March 16th at 7:30 P.M. a varied program will be given featuring woodwind instruments and the French Horn. Would you like to see how the Bassoon fits together from a bunch of sticks and why the English Horn was named thus? Have you ever heard the Oboe, often nicknamed "The Hobo"? Once you've heard it you'll never forget it! The 1st clarinet player of the Royal Hawaiian Band will demonstrate the bassoon. The flute's beautiful tones will be displayed by the 1st flutist of the Honolulu Symphony.

In fact all players are top-flight, 1st chair players of either the Symphony or the Royal Hawaiian Band. One of them even played for the Sadler's Wells Ballet who were featured in the picture "Red Shoes"

Three young musicians from the University of Hawaii will sing and play the piano. So come and enjoy the evening for "Music hath charm to soothe the savage breast." Admission is free.
