

September 16, 1960

Mr. Robert Oshima, President
Kamehameha Lions Club
334 Kalihi Street

Dear Mr. Oshima:

Palama Settlement has been providing a Music Scholarship for [REDACTED] living in the Mayor Wright's Housing for low income families. We have run out of scholarship funds and can only continue instruction with new scholarship money. [REDACTED] was also a scholarship member of our Summer Day Camp.

The child is deserving and according to our investigation the case warrants careful consideration. Her piano lessons will be re-activated the moment funds are available.

The enclosed copy of her application blank gives important information which may be investigated. We hope your Lions Club will be able to help us continue her piano lessons by providing scholarship assistance.

Sincerely,

Arne E. Larson
Executive Director
