Refreshments usually served after the Parents' meeting was taken care of by Mrs. Ishida but the parents suggested paying a nominal sum of 25¢ to help defray incidental expense and have the parents bake cookies, cakes, and henceforth provide for refreshments.

Speical Events

Parents' meeting was held on Feb. 24th. Mrs. Cayaban of the Cancer Society was the speaker. Two films were shown. "Breast Examination" "Life of a cell". It was well attended with 25 parents present. Mr. Ehlers also presented the critical condition of the budget and stressed the need of help needed to increase the enrollment of the school.

Advisory Meeting was held on Feb. 17. This meeting was a follow-up of the survey which was held to see how many were interested in the care until 5:00 P. M. Since the survey showed there were only 5 who were interested in the longer care a suggestion was made that an appeal to parents be made to aid in securing more pupils for the school. Mr. Ehlers was asked to speak to the parents and present the condition of the budget.

Transportation Provision for transportation involved many difficulties and the service should be discouraged.

Suggestion was made about the possibility of asking Mrs. Frazier of Lanakila Health Center to recommend families that have children.

Acquarium The two groups of children were taken to see the fish at the aquarium.

Movies for children. This was tried out for the first time. Mrs. Violet Wong showed the "Mickey Mouse" films to the children at the auditorium. She obtained the films and the projector which she operated herself. The children enjoyed the show although we felt a shorter film will be better for some of the children were restless and tired sitting so long.

We had 2 birthdays this month. The parents donated the ice cream and cake for the children to have as dessert for lunch.

Coming Events:

Dolls Day

Parents' meeting to be held on ^{Apr. 2} ~~March 19~~. Mrs. Lucas will speak on sibling rivalry.
