FAVORITES WIN IN PAL SOFTBALL TUSSLES

All favorites came through with flying banners as Palama Settlement's Community Softball League completed its third week of playing last Sunday morning, May 16th, with a fourteen-game program on three separate diamonds at Castle Field, Palama.

Chinese Amateurs and Stonewall A.C. kept their records unblemished by stopping Palama Amateur Greens and Auld Lane 7-1 and 2-1 respectively, to remain the top-notch teams in "A" Section. McInerny Monarchs continued to flash championship form by swamping Shafter A.C. 16-7 to gain the lead in Section "B". Palama Shoe paced the Monarchs by scoring a close win over Akepo Lane 9-7 in a crucial game. Shell Oil and Palama Gakuen Whites were handed victories on silver platters when their opponents failed to appear on scheduled time.

Following are the Sabbath's results.

PALAMA WINS A.A.U. TRACK CHAMPIONSHIP

Winged P 1937 cinder stars brought Palama Settlement its first territorial track and field championship in seven years, last Saturday afternoon, May 15th, by tallying heavily in nearly every event on the program, and in a persistent rain to outscore Waialae Ranch, Maui County, Citywide A.A., and teams from Waipahu, Kahuku, and Waialua Plantations.

A steady downpour throughout the trackfest marred the meet to a great extent, and this fact, plus the spectacular "sit-down" strike staged by the unattached University of Hawaii qualifiers, spoiled what would have been a great exhibition of Hawaiian spike talent. However, the handful of track enthusiasts who braved the wrath of old Jupe Pluvius were given their money's worth in the way of thrills.

Benny Centeio, veteran speed merchant, proved himself the outstanding performer of the 1937 Championships with his mud-horse antics. The Waialae Whippet chalked up brilliant victories in the 50, 100, and 440 yard dashes, all in near record times. Centeio settled a big question mark in local track circles by taking Palama's flying cop, Charley Ornellas, by four yards in the quarter-mile run in 50.7 seconds for a new one-turn record.

Other noteworthy performances were turned in by Charley Ornellas in the 880 yard run, Roy Araujo in the 220 yard dash, Abel Borge in the Mile Run, Walter Gouveia in the 5,000 Meter Run, and L. Hebert in the Shot Put and Broad Jump.

CHINESE SLAMMERS IN VOLLEY TRIPLE-BILL

Walter Wong's Dragon Associates established themselves strong contenders for the Chinese Volleyball championship by scoring their second win in as many starts over the Honolulu Chinese 15-4 and 18-16, last Wednesday evening, May 12th, at the Palama gym. An auxilliary Dragon outfit conked Chinese Amateurs 15-3 and 15-5 in convincing fashion, while Oahu Furniture and Blue Jays furnished the best game of the triple-bill when the Oahu Furniture crew repelled their rivals in three hotly contested sets, 15-12, 7-15, and 15-12.

Next Wednesday evening, Oahu Furniture will meet Honolulu Chinese at 7:30 p.m., Chinese Amateurs trade slams with Blue Jay at 8:00, and Dragons ^{engage} Dragon Associates at 8:30 p.m. in another triple-header.

PALAMA HELPING HAWAII'S STATEHOOD BID

That Palama Settlement, its work and far-reaching contacts, is playing an important part in Hawaii's bid for statehood is clearly pointed out and discussed in an article written by Webb Waldron for the April issue of the American magazine. The write-up is entitled "A New Star in the Union" and commends the fine work that is being done by the Settlement dental clinic for the school-children of Hawaii. It also mentions the fact that co-operating with the clinic is a public school system of dental hygienists unmatched anywhere on the mainland, another proof that Palama Settlement is an integral portion of Hawaii.

RAMBLERS DOWN SHELL OIL IN CLOSE GAME

The strong-finishing Moanalua Ramblers scored a brilliant 15-12, 22-20 victory over Shell Oil in a Palama Community Volley twin-bill, last Monday evening, May 10, at the Settlement gym, to register the highest mark yet recorded in Community Slam history. Kakaako Sons took Auld Lane with comparative ease 15-8 and 15-5 in the other game. Casino A.C. continued to lead the team parade by taking a forfeit from the Nanakuli Juniors who failed to make an appearance.

Following are the league standings after five weeks of play.

SCOUTING

By
Matsuoka

The 1936-37 Efficiency Contests for Palama Settlement's Boy Scout troops #21, #30, and #70, and Cub Pack #10 were officially closed on Friday evening, May 3rd, with a Court of Honor in the Palama auditorium. The purpose of the meeting was to present medals and minor awards to all Scouts and Cub-scouts who had been active and efficient members of their respective troops throughout last year.

Competition for top honors was very keen among the scouts of all troops, but those who accumulated the greatest number of points in their respective troops and in the Cub Pack were:

- Troop #21 - George Hayashi, James Vegas, David Whang
- Troop #30 - Vernon Wong, Wing Hong Young, William Young
- Troop #70 - Armando Callo, Sueki Fuji-kawa, Joseph Park
- Cub Pack #10 - Clement Yee, Carl Lum, Shinichi Morimisato

Without doubt, the outstanding scouts of last year were Armando Callo and Joseph Park, both members of Troop #70.

All troops will continue to hold weekly meetings throughout the Summer.

MISS MOORE SURPRISES PALAMA FRIENDS

Miss Helen Moore, former girls Physical education teacher at Palama, quietly slipped in unannounced last Friday and surprised her many friends at Palama. Together with her father, she was a stop over visitor from the Orient.

Miss Moore and her father had just completed a three months trip, visiting the Philiphines, China, Korea, and Japan. Their former plans were to sail direct from Japan to New York, but they were unable to secure reservations.

A large group of friends gave them a gay send off as the Hoover sailed for the mainland that night.

NO MORE DANCING CLASSES UNTIL SUMMER

Due to ill-health which made it impossible to continue with both her university work and dancing classes at Palama, Miss Ann Powers was forced to drop her dancing classes. Miss Powers has been with Palama since last October.

There will be no further dancing instruction until June 14, when the summer session begins. The summer dance school will offer lessons in tap, ballet, national and hula dancing.

COOKING CLASS

Tentative plans are being made for a buffet luncheon by the Junior high girls' cooking class. This will be the last gathering of the class for the school year.

The girls prepared an attractive box of assorted candies for their mothers, in conjunction with Mother's Day celebration. The contents of the gift consisted of divinity fudge, chocolate fudge, candied orange peels, and stuffed prunes.

WHY THE MONEY?

Money for registration, uniforms, pins; money for this and money for that.

Gosh! Money is an important thing with us Brownies these days. Without money we can't be Brownies, that's why we're money minded. Money means business so we're started a business.

Oh yes! We are little folks, but have made it our business to satisfy your sweet tooth. We don't care if you're old but you can't deny having a sweet tooth nor care or love candies.

So we're out to sell you Love Nests, Big Nut-chews, Full-o-Cashews, Butterfingers--all nutty and chewey, scrumptious, and delicious--please be tempted because we need your Kokua.

We'll take anything that's money. Pennies will do, but please have five.

If you have a favorite, let us know, please, and we'll be glad to serve you..... Brownies

A RECIPE FOR A DAY

Take a little dash of water cold,
And a little heaven of prayer,
And a little bit of morning gold,
Dissolved in the morning air.

Add to your meal some merriment
And a thought for kith and kin,
And then as your prime ingredient
A plenty of work throw in.

But spice it all with the essence of
love,
And a little whiff of play.
Let a wise old book and a glance above
Complete the well-made day.

However, Mrs. Maury promises to serve a small lunch, perhaps, salad and sandwiches to those who find it impossible to get their lunch elsewhere due to working schedules.

LITTLE SCAR FACE

How Team Got His Wife

In a village by a lake dwelt a young warrior named Team. He had no kinsfolk except a sister who kept house for him. She was called the White Maiden.

No one had ever seen Team. The villagers could hear his footsteps as he went by, and they could see this tracks in the snow, but Team himself they never saw, he was invisible.

One day Team's sister called the village maidens to the council house. When all had come and sat in a great circle in the council room she said to them; "My brother Team wishes to marry. He is a young man and very rich, but he is invisible; no one can see him who is not gentle and good. Therefore, if any maiden can see him, he will have her for his wife."

The village maidens were all joyful when they heard this. They knew Team was young and rich. In her heart each hoped to have him for her husband.

Every evening, then, as the sun set, some of the maidens would go down by the lake to Team's wigwam. The White Maiden always invited them to come in, and they would sit and watch by the wigwam fire.

By and by, as they sat, they would hear footsteps. Then the door flap would open and someone would enter. But the maidens could never see anyone.

At the other end of the village, near the bushes, lived an old man with his three daughters. The two older were young women, but the youngest was only a girl.

The elder sister was very unkind. Often, when she was angry, she would throw ashes and hot coals in her little sister's face. In this way the little girl's hair was burned and her face became marked and scarred. So the villagers named her little Scar Face.

FORTY TWO GIRLS PASS A.R.C. TEST

Forty two girls from the various elementary schools have qualified and passed the A.R.C. Beginners Swim Test. The test requires jumping into deep water, leveling of, swimming 25 feet, turning around and swimming 25 feet.

Kapalama School has the largest number of girls passing to date and Kalihi Kai the least which is not surprising considering the lack of swimming facilities near that school.

PAL GIRLS CAPTURE TRACK HONORS

In spite of short notice and only a week of training Palama girls entered the A.A.U. track events and carried off third, fourth and fifth place honors.

The girls track events, the first in ten years, provided the first track experience for all of the Palama girls. Taking into consideration the numerous disadvantages, the Pal girls deserve credit for being game enough to try and doing as well as they did.

Annie Salsedo took third place in the 50 yard dash and the Palama A Relay Team composed of Lulu Kea, Elizabeth Aoki, Betty Honda and Jennie Scharsch placed fourth in the 440 yard relay. Palama B Team composed of Evelyn Lee, Rose Okabayashi, Bernice Meheula, and Annie Salsedo placed fifth. Seven teams participated in the relay.

L.D.S. TOURNAMENT ATTRACTS WIDE INTEREST

A capacity house of interested on-lookers witnessed the series of Inter-Island Women's Athletic Tournaments sponsored by the Latter Day Saints Wednesday, Thursday, and Friday at the Palama Settlement gymnasium.

Fifty four girls representing five different teams participated in the volleyball and basketball tournaments.

The Oahu team was victorious in both events. Kauai was the runner up for the volleyball title and Molokai placed second in the basketball competition.

Islands represented in the program were Kauai, Molokai, East and West Hawaii, and Oahu.

The sponsors were surprised to find Maui, usually a strong contender for the various titles in past years, completely missing in this year's competition.

MUSIC CONTEST WINNERS ATTEND SYMPHONY

Last Wednesday evening at 7:30 the winners of the movie music contest met Miss Kim and in great anticipation started out for the Princess Theatre and the Honolulu Symphony Concert. You see, the tickets to the concert were supplied by Mr. George Denison as prizes for the winners of the music contest sponsored during the movie hour.

The front of the theatre, the pictures and the designs held the interest of the group for fully a half hour before the symphony concert began. For two of the group it was the first visit to the theatre and proved most impressive. The spaciousness and beauty of the auditorium and the size of the audience held the children spell bound. The orchestra consisting of some 72 instruments was the largest that they had ever seen.

They were especially appreciative of the harp music and were heartily disappointed when the harp did not play very much or very often. It was the first time they had actually seen a harp.

Some of the numbers were very difficult and hard to understand. All of the children liked the vocal solo by Peggy Anderson with a violin Obligato by Mr. Sosnowski and Schubert's "Unfinished Symphony". Tschaikowski's "Capriccio Italien" was the best liked.

The group owes this grand experience to Mr. George P. Denison who so kindly offered to supply the prizes. Besides the tickets to the Symphony Mr. Denison also sent us a very generous amount to be used for later musical shows. We thank you, Mr. Denison, and with your help we will learn more about good music and its enjoyment.

PAL GIRLS TO ENTER KAHANAMOKU SWIMFEST

The Palama girls are making a strong bid to capture some honors at the Duke P. Kahanamoku swimming meet to be held at the Elizabeth Waterhouse pool on the evening of May 20.

The girls plan to enter the 50 yard freestyle, under 14 yrs; 100 yard freestyle novice; 200 yard relay, novice; and 100 yard breast (open).

Among the swimmers are Lily Lee, Lulu Kea, Rose Okabayashi, Rose Lee, Irene Hee, Frances Taum, Haruko Akamine, Florence Akamine, Libby Aoki and Bernice Meheula.
