DRAWING SOFTBALLERS WIN 2ND ROUND TITLE

Raymond Choo's Drawing Class Artists scored a stunning blitzkreig over the Palama Craft classes by winning the second round championship of the Summer Fun Softball league. The Artists took a 9-0 default from the Shop outfit Monday, August 9, which combined with their 5-2 upset over Cocoanut-Craft, first round winner, last Wednesday, gave them the right to bid for the league championship.

The big game is scheduled for 1:00 p.m. today, Tuesday, August 6, at Castle Field. A beautiful koa shield and a gallon of ice cream is at stake, and the all-important tussle is exciting much speculation at the Boys' Clubhouse. The outcome looms as an uncertainty, what with both teams sporting fine pitchers and hitters galore.

Cocoanut-Craft will bank upon Johnny Santiago to stop the Artists and Louis Rodrigues, Ernest Mindora, Tony Mattinis, Johnny Victoria, and Suzy-Q Shoji to tally runs, while Drawing is expected to match Cocoanut-craft's stars with Lefty Sakimoto or Fumio Nagahara on the mound, and ^{use} Katsumi Kawasaki, Blackie Uyeda, Richard Sakimoto, and Henry Kaulei to blast the opposing chuckers.

CITYWIDE-PALAMA BAREFOOT LOOP TO ORGANIZE

The 1940 Citywide-Palama 130# Barefoot Football league will hold its organization meeting this Wednesday evening, August 7, at 7:00 o'clock at the City Hall.

Managers are requested to be present as team-colors and other important business will be settled. The league is tentatively slated to open action Sunday, September 8, on city and rural gridirons, with Henry Yamasaki again acting as manager and members of Palama Settlement's Athletic Department and the Recreation Commission serving as directors.

Greatest single addition to the 1939 league rules is the clause making it compulsory for all players to be equipped with head-gear and shoulder-pads before being allowed to participate in any game. The clause was inserted to safe-guard the barefooters whose wide-open and reckless style of play leave them open to injuries. Officials at all scheduled tussles will be instructed to bar all barefooters attempting to disregard the precaution.

HAWAIIAN PINE VISITED BY 40 PALAMA BOYS
