

Kindergarten & Pre-school

December 31, 1958

Total Enrollment.....91
No. Session.....22
Total Attendance.....1555
Total Absence..... 330

General Statement:

Christmas Holiday spirit can be seen in each of the five class rooms which was decorated different. All the children made something for their parents to take home. The school had a Christmas Luncheon and took home a package of mix candies, nuts, apples and oranges.

The school stayed opened on December 24th and did not participate with the half day closing with the Palama Settlement as we have more Day Care children in school. The school will therefore have only nine holidays effective this school term .

The Pre-school participated with the Palama Settlement Hanging of the Greens on December 12th. A good turn out of parents showed up. Everyone enjoyed the carols and visitation of buildings.

P.T.A. will purchase two record ~~play~~ players for the school. Each class will now have their own record player.

Pre-school purchased 25 new P.I. mahogany chairs . We are gradually replacing the old chairs with these new chairs. Oahu Prison made them. Also eighteen new cots to replace the broken ones were made .

Our cement tubes and benches were painted in gay colors of red, blue, yellow and orange. This makes our play area very colorful and bright.
