PALAMA SETTLEMENT MUSIC SCHOOL
MUSIC ADVISORY COMMITTEE
MINUTES

July 7, 1950

The July meeting of the Music Advisory Committee was held at noon, July 7th, at the YWCA Y-Teen Room with the following :

Present:

Miss Chun	Mrs. Roberts
Mr. Hanneberg	Mrs. Shim
Mrs. Hitchcock	Mr. Ward
Mr. Moritz	Mrs. Watkins

Absent:

Mr. Krause

The minutes were read and one correction was made in the fourth to last paragraph substituting the word capital instead of rehabilitation.

There was considerable discussion over the next item of business -- the study of the Music School by the Committee. Mrs. Hitchcock presented some of the impressions Mr. Krause had when he paid the school a visit. Mrs. Shim presented her views as being very favorably impressed with the school and its work. She was pleased with Miss Loo's classroom technique. Methods of cutting down and simplifying the great amount of clerical work was discussed. Mr. Moritz said that he'd help with this phase of the study.

The estimates from the different companies were presented. The committee felt, however, that a uniform bid should be sent to all companies before deciding which one should be awarded the job.

There being no further business the meeting was adjourned.

Respectfully submitted,

Dorothy Chun
