Dear Parents:

The regular meeting of your P.T.A. will be held on Tuesday, April 22. Your program chairman, Mrs. Frances Furtado, has arranged your program. It will be a talk by Dr. Walter Quisenberry on the subject, "You Can Save Yourself From Cancer." There will also be a very interesting film to accompany his talk. For business, we have the very important function of electing the officers for your P.T.A. next year. There will be open house for Grades I and VI and refreshments will be served by mothers and fathers of kindergarten.

On Friday, April 25 we will have the second round of Operation Hypo. This is the second shot for polio. If you haven't had any shot you may come Friday for the first shot and then go to your physician for the second one.
