SPECIAL EVENTS

Parents' Meeting. The P.T.A. met on Friday, Oct. 27th with Dr. Vernon Boido speaking on "Your Child and His Health." There were about 25 parents present with both fathers and mothers attending this meeting.

This was one of the best meetings we've had. The group was very enthusiastic and interested in this subject and participated in a live discussion.

The projects of the Toy Sale and the Fashion Show to be given in the spring were presented to the group and the parents were willing to support the toy sale 100%. The date for the first workshop was set for Nov. 8, 1954)

Excursions

The older group were taken to the Fire Station. The children were especially interested in seeing the rooms and beds where the firemen slept. The firemen demonstrated about how dangerous it was to play with matches. He lit a paper to show the children how fast it burned. He also demonstrated sliding down the pole which made the children all want to try to slide and to want to become a firemen. We also took a walk around the block and peeped into the various stores on King Street.

The children were also taken to the Love's Bakery and thence to the Hawaiian Village since it was Aloha Week.

The Younger Group also visited the Hawaiian Village. They enjoyed watching the hula dancing and were delighted when they were served a slice of pineapple. The children also were given sugar canes and didn't know what they were. "Lucky Luck" was shooting scene at the village and when he saw our group of children he asked to chase him into the grass hut. All the children thought this was great fun not knowing that this was being taken as a movie shot.

We celebrated Halloween by making masks and paper mache Jack 'o Lantern. For our Halloween lunch we had a cookie made into Jack 'o Lantern. Some of our children also participated by attending the Magician Show given by the Group Work Dept.

Birthdays Two Birthdays were celebrated last month with ice cream and cake and favors given to the children by Mrs. Takeshita and Mrs. Ching.

Coming Events

1. Nov. 15 Workshop
2. Nov. 19 P.T.A
3. Thanksgiving
