

PALAMA SETTLEMENT
MEMORANDUM

OK.

Date 3/4/49
To Mrs. E. Watkins
From M. Fukuda - Pre-School
Subject

The Oahu Education Assoc., composed of all Dept. of Public Instructions personnel, is having its annual meeting on Mar 11, 1949 at The McKinley High School Auditorium from 8:30 am. to 1:30 p.m.

All public schools are closed on this day. Many private schools are also closed on this day so that their staff may also attend this meeting.

In the past, Palama Pre-School has closed its doors for that day and the staff has attended these meetings as one means toward their professional improvement.

We have tried having school on this day but because older sisters and brothers are home, our attendance has been very low. Then too, the older children

try to come into the playground and
have often been a distraction to our
school program.

We would again like to ask your
permission to close our school for
That day.
