The Palama Settlement Music Dept. Committee
Palama Settlement
810 North Vineyard Street
Honolulu, T. H.

Gentlemen:

Due to the nature of my work it has become absolutely necessary that I be absent from the territory quite a bit. For this reason I have not been able to attend as many of your meetings as I would have liked to and should have attended.

As I strongly feel that your committee is an important one and its members should be active, I feel for the best interest of all concerned that I should resign at this time and make room for someone more worthy of the position and one who can devote the energy and time that this committee's work calls for.

I have enjoyed my work with the committee and wish it much success in its endeavors.

Sincerely,

Lawrence Haneberg
