

The Palama Settlement Music School offers studies in most of the instruments of band and orchestra, piano, chorus, band, string ensemble, musicianship and theory classes.

Rates are the lowest in Honolulu due to help from the Community Chest which is designed to make the program appealing to families in the Kalihi-Palama area.

Notwithstanding the low fee system, Palama Music School offers the experience and skill of a finely trained staff of local teachers trained in mainland conservatories and colleges of music.

A word of welcome

It is a pleasure to be able to share with you some of the enthusiasm we have for our work with the children of our neighborhood. We feel that music is an essential part of life and that all children should be offered the opportunity to explore the world of music, to enjoy the sounds that music makes, to understand the expressive qualities of music, and develop to the fullest any latent talent for playing a musical instrument.

Toward the fulfillment of these aims we of the Music School are dedicated. The children of our neighborhood deserve the best we have to offer.
