

Special Events

P.T.A. meeting was held on April 8 at 7:30 P. M. at school to make final preparations for the bazaar. There were 20 parents present.

Bazaar held April 11, 1953 from 10 A. M. to 3 P. M.

Evaluation of the bazaar.

1. ADVERTISING AND PUBLICITY

- a. All alumni parents were given a letter informing them about our bazaar. There were a few response from the parents for we received rummage and saw few of our former pupils present at the bazaar.
- b. Advertising ~~through~~ word of mouth and also passing fliers throughout the housing area and Palama neighborhood helped greatly in the attendance of the people at the bazaar.

2. P. A. System

- a. Having a good barker over the P. A. system helped greatly in boosting the sales, and attracting the people passing here.
- b. Mr. Nye, Mr. Desha, Mr. ^{melamai} Millimeyer., Mr. Nakata were especially helpful and feel grateful to the "Friends of Palama" for their interest and aid.

3. Time

- a. Holding the bazaar earlier in the month was good and the weather helped greatly in making the day pleasant and to attract the crowd.

4. Pony Rides

- a. Having the pony rides was good for many of the children enjoyed the experience in watching the ponies as well as riding them.

Movies

- a. A cowboy show would have been a better attraction for children. The facilities being poor the show when given must be short and be 20 minutes at the most.

Fish Pond

- a. The Fish Pond was a great success for we made \$67.60 and if we had more prizes we could have made \$100.00 easily. Having two prices 10¢ and 15¢ was good for most of the children asked for the 15¢ prizes.

Food

- a. The food was sold out by 1:30 and feel that we should have had more since lunch was served.
 1. Felt that we did not have enough food.
 2. Servings were too generous.
 3. Make plate lunches to be sold at set prices.
 4. Pies sold better when cut up in smaller pieces.
 5. When asking for food donations to tell each parent how much and what to bring.

Manpower

Lacked workers who were able to stay in the afternoon.

Rummage

Many of the items were unsold. The price may have been high. We are holding another sale in July.
