Special Events:

The school picnic was held on June 5th at the Kapiolani Park. Two of our mothers, Mrs. Amii and Mrs. Violet Wong transported the children and everyone had an opportunity to see the animals and the birds. The older children especially enjoyed the animals. Some of them were very interested in the peacock and exclaimed with excitement when it showed its colorful plumes proudly.

When lunch was served most of the children were hungry and ate the food eagerly. By 12:30 P. M. all the children were back in school and slept well until 2:00 P. M

Graduation Program.

The graduation program was held on June 10th at 9:30 A. M.

Invitations for the program were sent to all the parents and the event was well attended for there were about 60 adult and children present.

The children held 6 arches which were decorated with bouganvillia, pink showers, hibiscus poinciana, plumeria, Mexican creeper. The graduates marched with their partners to their designated place and sang their favorite songs which they had especially chosen for the occasion. Costumes were made with crepe paper which the children made themselves.

The children enjoyed doing the dance and the rhythms and the audience enjoyed watching the performance for the parents commented how well the children did.

The dances were improvisations from the "Nutcracker Suite." The boys did the Russian Dance and the Chinese Dance having a sword dance and duel with each other, ~~with the swords~~. The boys enjoyed the duel and some of them had very good conception of how to handle the sword and became very agile in doing so.

The girls did the Dance of the Flowers. Roberta Edgar became the Fairy and did a solo dance which she created in response to the music. The girls also did the Bouganvillia and Arch dances which they all helped in suggesting the various dance movements and steps.

The graduates were presented with leis from the parents and the younger children.

After the program juice was served to all who attended the program.
