Memo to ALL PIANO TEACHERS

Seeing that the recital date is drawing near, I find it necessary that I start my rehearsals a half hour earlier than regular. The time is now set for 4:00pm to 5:30pm. This may pose an inconvenience upon you for you may want to use the piano in the main hall. Time is short for all of us who teach here after school, but I feel that just as much you want your students to perform well, I feel just as much obligated to my students. So as of May 4, 1964, please center your rehearsals accordingly.

PS.

Rehearsals are on
Mon., Wed., Fri.

Lovingly yours,

Scrouge Suzuki
(Band Director)
